**2013 REGISTRATION OF GRADE 10 LEARNERS**

**1. ANNUAL LEARNER REGISTRATION**

Grade 10 learners must be registered on admission to Grade 10 which is the start of a three year cycle that culminates in a National Senior Certificate (NSC) qualification. Thereafter, qualifying learners will be promoted from grade to grade in the system.

**2. COMPLETION OF REGISTRATION FORMS (ANNEXURE 1)**

- Grade 10 registration forms are to be completed for each Grade 10 learner in the school. These are available from the District Office Examinations Unit.
- The process of learner registration must be strictly managed by the Principal, or his/her delegated official, to ensure accuracy of the information submitted.
- These forms are to be completed in full. Learners who have been admitted from other schools are to write the name of the previous school in the space provided in the registration form. **A report card from the previous school must be attached.**

- It is the responsibility of the Principal to verify the validity of the school report submitted by the new learner for admission to the school. Kindly note that the number of fraudulent reports submitted by learners increased alarmingly in 2012.
- It is mandatory that school Principals ensure that all registration forms are to be returned to the Examinations Unit at the District Office by no later than **Friday 14 June 2013**.

### 3. CONCLUSION

The lack of reliable statistics impacts negatively on service delivery to schools. Principals will be required to account for every learner registered in Grades 10, 11 and 12.

The co-operation of Principals and teachers in this important exercise will be appreciated as the accurate registration of 2013 Grade 10 learners will lead to an error free registration of the Grade 12 class of 2015.
