**MEMORANDUM**

**TO: DISTRICT DIRECTOR  
CES: CURRICULUM MANAGEMENT  
DCES: ASSESSMENT AND EXAMINATIONS  
SCHOOLS OFFERING GRADE 9**

**FROM: (A) DIRECTOR: ASSESMENT AND EXDAMINATIONS  
N LEHLAKANE**

**SUBJECT: ERRATA ON GRADE 9 NOVEMBER 2013: ECONOMICS AND  
MANAGEMENT SCIENCES**

**DATE: 22 NOVEMBER 2013**

- 
1. It has been brought to the attention of the Directorate: Assessment and Examinations that there is an extra page with answers on the last page of the above question paper.
  2. It is noted with regret that the error occurred in both the English and Afrikaans versions of the question paper concerned.
  3. Some schools that were alert to the error confiscated the last page from the candidates and photocopied a page without answers to the candidates.
  4. Albeit that this was the correct procedure, we have to be fair to all candidates throughout the Eastern Cape.
  5. The following directive is therefore issued and has to be followed by all learning institutions:

**DIRECTIVE**

6. Ignore the  $(28 \div 2)$  (14) marks for the question.

7. The **Final Mark** will therefore have to be calculated as follows:

$$100 - 14 = 86$$

Rework the mark out of 86 to 100 as in the following example:

$$\frac{49}{86} \times 100 = 56,9 = 57$$

The final mark is therefore 57 out of 100

8. The Directorate apologises for the inconvenience caused.

Yours in quality education
