**IMPLEMENTATION OF THE AMENDED SENIOR CERTIFICATE, A QUALIFICATION  
FOR ADULTS AND OUT OF SCHOOL LEARNERS**

**1. BACKGROUND**

- 1.1. The last Senior Certificate Examination based on the policy document, *A Resume of instructional programmes in schools (Report 550)*, which allowed learners with incomplete Senior Certificate credits, as well as adult learners with incomplete Senior Certificate credits, as well as adult learners of 21 years and older, was conducted in June 2018.
- 1.2. Based on the need for a qualification for adults that are equivalent to the current National Senior Certificate (NSC), the Minister of Basic Education has approved the revision of the current Senior Certificate qualification such that it can be offered by learners who will have no alternative route to follow, post June 2014. The amended Senior Certificate retains its qualification structure but will utilize the National Curriculum Statement (NSC) subjects to support the qualification.

- 1.3. This implies that the Curriculum and Assessment Policy Statement (CAPS) subjects will be offered as part of the amended Senior Certificate that will be written in June / July 2018. All Senior Certificate subjects that were passed prior to June 2018, at Higher Grade and Standard Grade levels, excluding Lower Grade conversions, will be recognized.

## **2. WHO QUALIFIES TO WRITE THE AMENDED SENIOR CERTIFICATE?**

The following learners will qualify for admission to the amended Senior Certificate

- a) Adult learners who are 21 years and older who have:
  - i. A General Education and Training Certificate (GETC); or
  - ii. A Grade 9 school report (or the old standard seven), stating that they have passed Grade 9 or Standard 7; or
  - iii. A recognized equivalent qualification obtained at NQF Level 1 which requires two official languages
- b) Adult learners who are 21 years and older with an incomplete National Senior Certificate qualification.
- c) Adult learners who are 21 years and older with an incomplete National Senior Certificate and whose School Based Assessment (SBA) validity has expired.
- d) Only in exceptional cases, out of school youth, who are 18 – 21-year-old and who could not complete their school education due to circumstances beyond their control, as verified and approved by the Head of Department in the Provincial Education Department.

## **3. SUBJECTS TO BE OFFERED**

The subjects listed below which are part of the Curriculum and Assessment Policy Statement of the National Senior Certificate, will be offered as part of the amended Senior Certificate. The subjects will in essence be the Curriculum and Assessment Policy Statement of the National Senior Certificate, excluding the School – Based Assessment (SBA) component. Each candidate must offer six subjects in order to qualify for the amended Senior Certificate. Adults who have approved Senior Certificate subject credits, but do not comply with the required six subjects' package, must select the remaining required subjects from the following list of 14 adapted National Senior Certificate subjects:
