**SUBJECT: MATHEMATICAL LITERACY P2 SEPTEMBER 2023 PREPARATORY EXAM ERRATUM**

**DATE: 20 SEPTEMBER 2023**

---

The Mathematical Literacy P2 Grade 12 for the Preparatory Examinations 2023 was written on Monday, the 11<sup>th</sup> September 2023. We were made aware of an error that was discovered during the marking process.

The amendment with regards to the marking was prepared in conjunction with the examiner and the moderator of the paper. This amendment addresses the error and also ensures that learners are not disadvantaged. The following standardised approach to marking must be adopted across the Province.

**ERRATA: SEPTEMBER 2023 MATHEMATICS P1 (MARKING GUIDELINE)**

There was an error in both ENGLISH and AFRIKAANS question papers. Therefore, the errata applies to both ENGLISH and AFRIKAANS candidates.

**In question paper:**

**5.2.3 the unit measurement for the volume of the water tank was represented as cubic cm**

**It was supposed to be:**

The unit measurement for the volume of the water tank should be in cubic meters

**Corrected Marking Guideline (for both ENGLISH and AFRIKAANS)**

The question be upscaled in the following manner when marking learner responses:

$$5.2.3 \quad \frac{\text{learner mark in the question}}{32} \times 37$$

We request that this must be brought to the attention of all educators marking these papers and sincerely apologise for the inconvenience.

Yours in education.

20 September 2023
