The test starts on the next page.

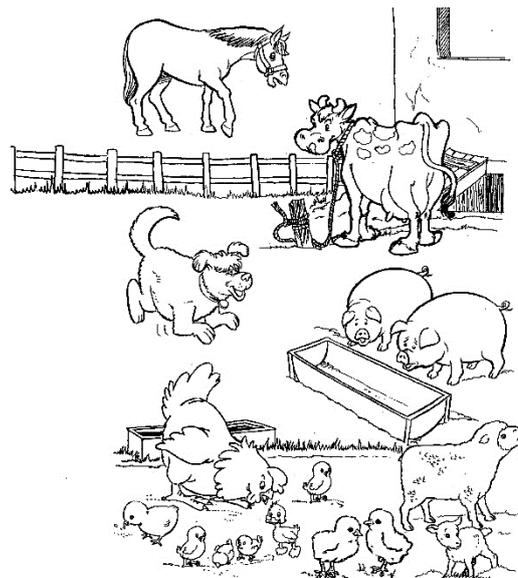

Read the story and answer the questions.

My brother and I went to visit my grandma and grandpa on their farm. We always have a lot of fun when we go there. There are lots of trees and grass. There are many things to do.

Grandpa shows us the calf in the cowshed. I love playing with him. His nose is wet and he calls out to his mother. At the pigsty there is a lot of noise. The pigs are not happy that Jonas, the helper, is cleaning the mud from the sty. They love mud and if the sty is clean, they cannot play in the mud.

At the hen house we see the hen walking with her seven little chickens. They look like yellow balls of wool and they are very afraid that the cat will catch them. My brother comes out of the field riding on the back of old Poon, the horse. Poon loves to eat hay in the stable.

After a day on the farm, we always go back home tired and happy. It is always fun to visit grandma and grandpa.
