ISSUING OF EDUCATIONAL SUPPORT MATERIAL – EXEMPLARS GRADE 11 NOVEMBER 2020

1. The Eastern Cape Provincial Department of Education, in order to provide educational support to assist schools with the impact brought about by the COVID-19 pandemic, has decided to issue out exemplars for Grade 11.
2. The exemplars have been developed in line with the adjusted annual teaching plans that were in place at the end of 2020. The primary objective in issuing the material is to ensure that schools are able to benchmark their internal question papers against the exemplars that will be provided. In cases where schools find that there are gaps, they are encouraged to develop strategies and plans to overcome them.
3. The exemplars must be distributed to the relevant learners and assist them in revising where required in order to meet the requirements of the Grade 11 curriculum.
4. The Eastern Cape Provincial Department of Education will continue in its unfailing efforts to mitigate the profound effect of the pandemic on the learners of the Eastern Cape Province. We therefore implore educators and all other stakeholders to ensure that the exemplars are utilised to improve the educational gains and performance of the learners of the Province.

5. All heads of institutions are thus requested to ensure that the educational support material (exemplars) are distributed to the learners and the steps outlined are followed for the benefit of the educational environment.
