NSC GRADE 12 DECEMBER 2024 EXAMINATION SCRIPTS  
MARKING TO 10 MAY 2024.

**DATE :** 06 MAY 2024

---

### MEMORANDUM

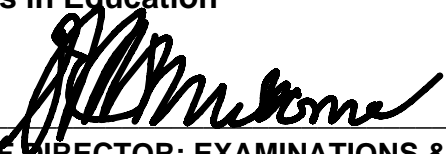

This correspondence has reference: Assessment Instruction no 22 of 2024.

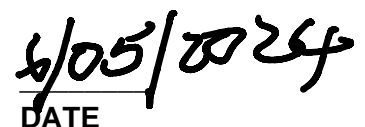

- The above document invited qualified applicants to apply **online** as markers for the Nov/Dec NSC grade 12 examination marking. The closing date was the **3 MAY 2024**.
- This is the third year of implementation and the system seem to be matured and stable. There is a noticeable progressive increase of applicants each year since the inception in 2022.
- However, some minor connectivity issues, creation of passwords, uploading of documents by applicants and other possible whirlwinds may have interrupted the smooth running of some web-based systems including amongst others, online marker system. Last moment rush and influx of applications at a go led to high traffic volume causing the system to run a bit slow.
- Therefore, consideration has been made, the closing date for the submission of online marker application is hereby **extended to the 10 May 2024**.

### ADDENDUM FOR EXTENSION OF ONLINE MARKER APPLICATION

- Therefore, the system shall be opened today, **06 May 2024** and finally close by the **10 May 2024**.
- Furthermore, applicants are urged not to wait until the last day, to avoid traffic jam that may be caused by influx of many applications at once.
- *Kindly note that in the application form the space for qualifications is one mega bite (MB), therefore qualification documents must be compressed to fit that size using PDF compressor and or ancillary (additional) qualifications / senior degrees may not be included if the junior one inserted has the subject applied for passed at second-or third year level as per the requirements reflected in the Assessment Instruction.*
- **NO** hard copies of application forms must be submitted and or accepted at all in district offices.
- All Applicants/deserving educators will be supported in this process until they are all in the system.
- Kindly **message** in case of any queries via **WhatsApp** to **0789263405** for further assistance.
- All means possible will be made to ensure that NO educator is disadvantaged in any way.
- **Furthermore, it must be noted that there will be not further extension.**

Yours in Education

  
 CHIEF DIRECTOR: EXAMINATIONS & ASSESSMENT  
 MR E.M. MABONA
