COMMON EXAMINATION TIMETABLE**

- One of the main trends of the Department of Education’s teaching and learning strategy is ensuring effective teaching, learning, and evaluation occur in our schools. To enhance examinations and assessment and ensure that learners are suitably prepared for the final NSC Grade 12 Examinations, the Chief Directorate Examinations and Assessment will provide June common examination papers in a few chosen disciplines. The Department of Basic Education and the Chief Directorate Examinations and Assessment have provided extensive training for the experienced and talented examiners and moderators who have created and overseen these question papers.
- The DRAFT timetable for the Grade 12 June Common examination (ANNEXURE A) is attached.

Examination	Commencement Date	End date
Grade 12 2025 June Common examination	2 June 2025	23 June 2025

3. The examination guidelines and the Annual Teaching plans (ATPs) have guided the creation of the question papers. The question papers have gone through extensive scrutiny to guarantee their credibility and compliance with necessary norms and standards.
4. Schools are urged to select an appropriate time slot within the current schedule and develop their own question papers for subjects that are not included in this timetable. Expert teachers and district subject advisors are required to moderate school-level question papers.
5. The papers that will be provided have undergone rigorous and stringent moderation and other quality assurance processes to ensure that they comply with all applicable regulations.
